

Verbs Naming Quick Reference

This is a short printable cheat sheet for naming files in the active Verbs section.

For the full rules, examples, and background, see:

- `NAMING_CONVENTIONS.md`
- `VERBS_ORGANIZATION.md`

Main Rule

1. Put the deck in the correct folder first.
2. Use a short, readable filename.
3. Keep every CSV filename unique across the whole `csv` tree.
4. Keep `EN_ES` only when the deck must stay forced English to Spanish.

Core Filename Pattern

`[Stage]_[Type]_[Group]_[Number].csv`

Examples:

- `Inf_Reg_AR_01.csv`
- `Pres_Conj_Reg_AR_01.csv`
- `Pres_Sent_Irreg_01.csv`
- `Pres_Story_Reg_Mix_01a.csv`

If needed, add a topic before the number:

`[Stage]_[Type]_[Topic]_[Number].csv`

Examples:

- `Pres_Sent_Ser_Estar_01_EN_ES.csv`
- `Pres_Sent_Tengo_Estoy_01.csv`
- `Pres_Sent_Want_Like_Have_01.csv`
